EVERGREENS

Prices are for Evergreens securely balled and burlapped.

Can dig Evergreens, roots puddled at the following reductions in prices:
12-18 inch at 12½c—18-24 inch at 15c—2-3 feet, at 20c.

Our Evergreens have all been frequently transplanted, having been grown with plenty of room for development. Have been properly sheared and pruned for producing compact, symmetrical specimens.

Evergreens selected and marked by customers in the nursery field will be charged for in accordance with their values, and prices named in this list will not govern.

We do not guarantee Evergreens to live and will only make adjustments when complaints are filed promptly upon receipt of shipment.
